INDEPENDENT ACCOUNTANTS' REVIEW REPORT

To: The Board of Directors of
FXB USA, Inc.

We have reviewed the accompanying statement of financial position of FXB USA, Inc. (a not-for-profit organization) as of December 31, 2014, and the related statements of activities, cash flows and functional expenses for the year then ended. A review includes primarily applying analytical procedures to management's financial data and making inquiries of Organization management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. generally accepted accounting principles and for designing, implementing, and maintaining internal control relevant to the preparation and fair presentation of the financial statements.

Our responsibility is to conduct the review in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. Those standards require us to perform procedures to obtain limited assurance that there are no material modifications that should be made to the financial statements. We believe that the results of our procedures provide a reasonable basis for our report.

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in conformity with U.S. generally accepted accounting principles.

FXB USA, INC.
NOTES TO FINANCIAL STATEMENTS

Note 1 - Summary of Significant Accounting Policies

The Organization

FXB USA, Inc. (Organization), formerly The Francois-Xavier Bagnoud U.S. Foundation, a not-for-profit organization, was incorporated in the State of Delaware in June 1994. The Organization is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. Accordingly, no provision for federal, state or local income taxes has been recorded. The Organization does not believe its financial statements contain any uncertain tax positions. The Organization primarily receives its support from contributions and grants from corporations and individuals.

The purpose of the Organization is to promote and fight poverty and AIDS, and to support the world's orphans and vulnerable children left in the wake of the pandemic by advocating for their basic needs and basic rights and providing direct support to families and communities that care for them. The Organization provides funding, in the form of grants, to foreign affiliates (called FXB Villages) throughout the world.

Basis of Accounting

The financial statements of the Organization have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables, and other liabilities.

Basis of Presentation

In accordance with GAAP the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. In addition, the Organization is required to present a statement of cash flows.

Use of Estimates

Management uses estimates and assumptions in preparing the financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could differ from those estimates.

Cash and Cash Equivalents

For the purpose of the statement of financial position and the statement of cash flows, the Organization considers as cash equivalents money market funds and all highly liquid resources, such as investments in certificates of deposit, with an original maturity of three months or less.

FXB USA, INC.
NOTES TO FINANCIAL STATEMENTS

Note 1 - Summary of Significant Accounting Policies (Continued)

Revenue Recognition

Contributions are considered available for the Organization's general programs unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor are reported as temporarily or permanently restricted support and increases in the respective class of net assets. Contributions received with temporary restrictions that are met in the same reporting period are reported as unrestricted support and increase unrestricted net assets. Investment income and gains restricted by donors are reported as increases in unrestricted net assets if the restrictions are met (either a stipulated time period ends or a purpose restriction is accomplished) in the reporting period in which the income and gains are recognized. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets.

Expense Allocation

The costs of providing various programs and other activities have been summarized on a functional basis in the statement of activities and in the statement of functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited. The Organization allocates outside contractor fees based on estimated time and other expenses are allocated based on usage. The Organization classifies expenses, which are not directly related to a specific program, as Management and General expenses.

Note 2 - Cash and Cash Equivalents

Cash and cash equivalents consisted of the following at December 31, 2014:

Checking	\$ 19,186
Money market funds	<u>10,544</u>
	<u>\$ 29,730</u>

Note 3 - Related Party Transactions

The Organization provides grant assistance to various related entities (FXB Villages). The total amount of grant assistance provided to the related entities during the year ended December 31, 2014 was \$105,114.

FXB USA, INC.
NOTES TO FINANCIAL STATEMENTS

Note 4 - Commitments and Contingencies

The Organization maintains its checking account with financial institutions. No balances exceeded the Federal Deposit Insurance Corporation insurance coverage at December 31, 2014.

Note 5 - Subsequent Events

Subsequent events were evaluated for potential additional disclosures through October 23, 2015, which is the date the financial statements were available to be issued.
