Subject: Happy holidays from FXB USA!
Date: December 22, 2016 at 2:07 PM
To:

Dear Friend,

From our family to yours, FXB USA wishes you, our dedicated supporter, joy, peace and prosperity during the holiday season.

With your generous help, we accomplished many notable achievements in 2016 and our FXBVillage program is growing all over the world! There are currently 16 FXBVillages in Burundi, China, Colombia, India, Mongolia, Rwanda and Uganda. With 27 years of dedication to poverty eradication, we are making tangible impacts on families in the most vulnerable communities around the globe and bringing people
Tabitha, a 57-year old participant of the FXBVillage program in Iganga, Uganda, has experienced a transformational change to her life since she became a member of the FXB community.

Widowed after 39 years of marriage, Tabitha led a hard life with her eight children. She suffered from high blood pressure, diabetes and a chronic pain in her ankle from an accident. However, she still struggled to work assiduously to support her orphaned nieces and nephews, as well as her own children. The overwhelming responsibilities felt like a heavy burden for her.

Two years ago, life finally smiled upon Tabitha. She joined the FXBVillage program and started receiving integrated support from FXB.

Tabitha’s family received food, adequate medical care and other necessities from the program.

All the children in her family were able to attend school.
To bring hope to more people like Tabitha in this holiday season, you can:

1. **Donate today** to deliver integrated FXBVillage support to families in need;
2. Follow us on **Facebook** and **Twitter** to show your support.

Sincerely,

Karina Weinstein
FXB USA Program Director
